FISCAL NOTE ACT MAY
APPLY

A BILL FOR

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The State Universities Civil Service Act is amended by changing Sections 36h and 36j as follows:

(110 ILCS 70/36h) (from Ch. 24 1/2, par. 38b7)

Sec. 36h. Appointment.

(1) Whenever an employer covered by the University System has a position which needs to be filled, this employer shall inform the Executive Director of the Merit Board. The Executive Director shall then certify to the employer the names and addresses of the ~~three~~ persons with the 3 ~~standing~~ highest scores on the register for the classification to which the position is assigned. The employer shall select one of these persons certified for the position and shall notify the Executive Director of the Merit Board of the ~~his~~ selection. If less than 3 scores ~~three names~~ appear on the appropriate register, the Executive Director shall certify the names and addresses of all ~~the person or~~ persons on the register. ~~Sex shall be disregarded except when the nature of the position requires otherwise.~~

(2) All appointments shall be for a probationary period of no less than 6 months and no longer than 12 months for each

class of positions in the classification plan, the length of the probationary period for each class having been determined by the Executive Director, except that persons first appointed to any police department of any university or college covered by the University System after the effective date of this amendatory Act of 1979~~,~~ shall be on probation for one ~~1~~ year.

The service during the probationary period shall be deemed to be a part of the examination. During the probationary period, the employee may be dismissed if the employer determines that the employee has failed to demonstrate the ability and the qualifications necessary to furnish satisfactory service. The employer shall notify the Executive Director in writing of such dismissal. If an employee is not so dismissed during his or her probationary period, his or her appointment shall be deemed complete at the end of the period.

(3) No person shall be appointed to any police department of any university or college covered by the University System unless he or she possesses a high school diploma or an equivalent high school education~~,~~ and unless he or she is a person of good character and is not a person who has been convicted of a felony or a crime involving moral turpitude. (Source: P.A. 86-708.)

(110 ILCS 70/36j) (from Ch. 24 1/2, par. 38b9)

Sec. 36j. Promotions. The Merit Board shall by rules provide for promotions on the basis of ability and experience

and seniority in service and examination and to provide in all cases where it is practicable that vacancies will be filled by promotion. The Merit Board shall by rule fix lines of promotion from such several offices and places to superior offices or places in all cases where, in the judgment of the Merit Board, the duties of such several positions directly tend to fit the incumbent for a superior position.

Employees promoted in the promotional line shall have their seniority for the highest position held on the basis of length of service in that classification. For the next lower classification the employee may add his seniority in the higher classification to that in the lower to determine seniority in the lower classification.

Whenever a superior position in the promotional line in the classified civil service under the University System is to be

filled, the Executive Director shall certify to the employer, in the order of their seniority, the names and addresses of the ~~three~~ persons with the 3 ~~standing~~ highest scores on ~~upon~~ the promotional register for the class or grade to which said position belongs. The employer shall appoint one of those ~~the three~~ persons whose names were certified by the Executive Director. ~~Sex shall be disregarded except when the nature of the position requires otherwise.~~ Appointments to superior positions in the promotional line shall be on probation for a period of no less than 6 months and no longer than 12 months for each class of positions in the classification plan, the

length of the probationary period having been determined by the Executive Director. Persons so appointed may be demoted at any time during the period of probation~~,~~ if, in the opinion of the employer, they have failed to demonstrate the ability and the qualifications necessary to furnish satisfactory service, but shall not be discharged from the superior position if they have previously completed a probationary period in an inferior position in the promotional line.

Whenever a person is promoted to a superior position in the promotional line prior to the completion of the probationary period in any one of the positions in the classified civil service under the University System, total service in the inferior position and in all such superior positions shall be combined to establish certified status and seniority in the inferior position.

(Source: P.A. 82-524.)

The following proposed administrative rule change must be considered upon adoption of HB3102.

Change Section 250.60(d) to read as follows:

d. Certification from Registers

1. Reemployment in positions shall be made in accordance with the register, with highest seniority taking precedence. From a reemployment register, the employer shall certify only one name for appointment.
2. From the promotional register or original entry register, the employer shall certify the names of the persons with the three ~~names standing~~ highest scores on the register at the time the vacancy is declared, or as otherwise provided under subsection(d)(3).
3. When ties in scores exist on an original entry register or promotional register for a class, all candidates with a tie score, and hence of the same relative excellence, shall be equally eligible to be considered as one of the available candidates certified from the register. ~~No person on the register shall be eligible or available for certification as one of the three persons standing highest on the register if three or more persons are eligible at a higher score level as a result of tie scores.~~ The employer shall conduct a personal interview with, and shall consider, all candidates certified from the register in this manner prior to making its recommendation for selection, except that a single selecting official for the employer shall not be required to interview more than once the same candidate, as currently certified from the register, for a position of the same class.
4. If a total of three names is not available from the promotional register and/or original entry register, the employer shall certify those listed, and in addition may refer enough other candidates so that the employing officer has the choice of three candidates for the position. Such additional candidates as are necessary to provide the employing officer with a choice of three must be qualified for the class of the position to which referred and may be employed in accordance with Section 250.70(b)(1) and Section 250.90(b)(6).
5. A promotional register and/or an original entry register becomes closed for the purpose of certification of the names of candidates to a particular vacant position at a time established by the employer. Once this time has been established, it must become a matter of record, and it cannot be changed unless, when this time is reached, the employer is unable to provide to the selecting official three candidates from the promotional register and/or original entry register, and the selecting official wishes to interview three candidates prior to filling a position, whereupon a new date must be established in accordance with the aforementioned procedure. The selecting official shall interview from the registers, for any one vacancy, in accordance with the provisions of subsection (d)(3).

6. Candidates on an eligible register may be referred concurrently to more than one vacancy in the appropriate class, if in the judgment of the employer the procedure is needed to speed up employment transactions. Total referrals to a vacant position are to be limited to the individuals with the top three scores~~three available candidates~~, or in accordance with the provisions of subsection (d)(3).
7. The name of a candidate on a register, who at the time of induction into military service is an employee of an employer under the University System, shall be placed in suspension until the termination of military service, at which time his/her name shall be reactivated on the appropriate register in the order of his/her score on the original examination, providing the register of the class has not been voided during the period of his/her military leave.
8. In making a selection from among ~~the three names~~ those individuals with the top three scores certified from ~~standing highest on~~ the register, and in accordance with the provisions of subsection(d)(3), the employer shall not discriminate because of race, color, religious or political affiliation, or because of age or sex, when the reasonable demands of the position do not require such a distinction.
9. The Executive Director may authorize specialized position certification for eligible register candidates who possess special and identified qualifications that previously have been established as job-related requirements for a specific position as well as being fully qualified for the class. In this instance, c~~C~~ertification from a register shall be made from the individuals with the top three scores ~~top three scoring candidates~~ who possess the established specialized requirements.

Section 250.50 Examinations

a) Kinds of Examinations. Examinations shall be of two kinds: original entry and promotional. Both kinds shall be open and continuous competitive examinations. For the purpose of this Section, an original entry and a promotional examination shall be considered to be one and the same examination.

b) Eligibility to Compete in Examinations

1) Any citizen or resident of the State of Illinois, who applies for examination in a specific class at a constituent place of employment served by the University System, who is not rejected or disqualified under subsection (c), and who meets the minimum qualifications as prescribed in the class specification, shall be admitted to the examination. For classes requiring valid licenses or certificates, an applicant must show possession of the license or certificate at, or prior to, time of taking the examination. Out-of-state applicants may also be admitted for examination in accordance with conditions outlined in subsection (b)(6).

2) A promotional examination shall be open to a status employee in a place of employment, who is not rejected or disqualified under subsection (c), who meets the minimum qualifications specified in the class specification for a higher class in the appropriate promotional line and who, in addition, is working by virtue of a status appointment, in a position of a lower class in the same promotional line, is on leave of absence from such a position, or is on layoff from such a position.

3) An applicant who fails to meet the minimum qualifications established for the class, but who can offer qualifications that in the opinion of the Executive Director are considered to be compensatory, shall be admitted

to the examination for the class. The names of all applicants who pass the examination shall be placed on the appropriate register in order of score.

4) In the absence of a name of a candidate on any existing register for a class, an applicant who does not possess the minimum qualifications for the class and cannot present compensatory qualifications may be admitted with prior approval of the Executive Director to the examination for the class for the purpose of attempting to fill a specific vacancy. The name of an applicant so admitted, and who passes the examination, shall remain on the register only until the specific vacant position has been filled.

5) In accordance with the Americans With Disability Act (ADA), any applicant with a recognized disability may receive an accommodation for any examination maintained by the University System. These accommodations are to be administered in coordination with requirements contained in the ADA, the State Universities Civil Service Act [110 ILCS 70] and this Part, and other applicable policies at each employment location.~~An applicant with a physical handicap who fails a section or sections of an original entry examination because of circumstances directly related to the handicap, who is subsequently employed in the absence of a register, may, after six months of satisfactory service, upon recommendation of an employer and written approval of the Executive Director, be declared exempt from qualifying on the failed section or sections of the examination, in which case he/she shall become a status employee in the position in which he/she has been employed or in another position in the same class.~~

6) For classes within the professional, semi-professional, or managerial occupational areas requiring highly technical or professional qualifications for which a broader recruitment base is typically applied, out-of-state residents may be admitted to the examination and equally considered~~there is an inadequate supply of qualified applicants who are citizens of, or residents in, the State of Illinois, out-of-state residents may be admitted to the examination~~. In these instances when ~~When~~ the Illinois citizenship or residency requirement is waived, out-of state candidates must establish Illinois residency within ~~90~~180 calendar days after any employment offer or final appointment~~in-state candidates shall be listed on the register ahead of out-of-state candidates~~.

7) Any applicant may rewrite an examination for a class three times within any twelve month period, with at least one month time lapse between every rewrite. The candidate's place on the register for the class shall be determined by the highest score achieved on any examination for the class.

~~A) For the purpose of this Section, an original entry and a promotional examination shall be considered to be one and the same examination.~~

~~B) The limitations of this Section do not apply to an applicant who fails the typewriting and transcribing sections of an examination.~~

c) Rejection or Disqualification of Applicants. The employer may reject any applicant~~,~~ or, after examination, the Executive Director may refuse to certify any candidate who, in addition to requirements specified in Section 36f of the State Universities Civil Service Act [110 ILCS 70/36f] and subsection (b), fails to pass a physical examination given to determine his/her physical qualifications for employment, abuses intoxicating substances~~beverages to excess~~, uses illegal drugs or narcotics, has been dismissed from either private or public service for a cause detrimental to his/her employment by an employer under the University System, has maintained an unsatisfactory employment record, has practiced deception or fraud in his/her application, examination, or material pertaining to these, or has committed an offense that in the judgment of the Executive Director disqualifies him/her for employment.

d) Character of Examinations

1) Examinations shall consist of one or more of the following: written test; performance test; oral test; physical test; aptitude test; practical test; other appropriate tests; a rating of experience and training.

2) All examination content shall be provided by the staff of the University System.

3) All examination supplies and materials and all examinations are the property of the University System.

4) An original entry or promotional examination may be revised, with the approval of the Executive Director, without affecting existing original

entry or promotional registers for the class, providing the revision does not change the character or weighting of sections of the examination.

5) Upon approval of the Executive Director, the ~~The~~ character or weighting of sections of an original entry or promotional examination may be changed, ~~with the approval of the Executive Director,~~ provided ~~providing that~~ there is sufficient evidence that the current examination for the class is not a satisfactory examining instrument~~;~~ and ~~providing, further, that the character or weighting of~~ the current examination has been in use for a period of at least one year~~;~~. At least 30 calendar ~~and providing, further, that 45~~ days advance notice of the change shall be given to all appropriate employers who shall then communicate the notice in writing to each candidate ~~then~~ on an original entry or promotional register by score and shall further communicate the notice in writing to any applicant who applies for an original entry or promotional examination during the 30~~45~~-day notice period. During the 30~~45~~-day notice period, qualified applicants and ~~(including~~ candidates whose names are already on the register by score~~), at their request,~~ will be scheduled for the examination upon his/her request. At the end of the 30~~45~~-day period, the previous original entry register or promotional register~~registers~~ of candidates by score will be voided, and a new original entry register or promotional register~~registers~~ by score shall be established on the basis of the new examination.

e) Administration of Examinations~~.~~

1) As approved by the Executive Director, examinations shall be scheduled and administered by the employer. The examinations shall be conducted on an open and continuous basis~~;~~. ~~examinations that have been closed for six months or more, the Executive Director will review the need for continuing the approval of a closed examination.~~ The employer shall be responsible for the security of all examination materials in the employer's custody, and access to any electronic examination process, as provided ~~supplied~~ to the employer by the University System ~~so long as they are in the employer's custody~~.

f) Rating of Examinations

1) The Executive Director and the staff of the University System shall use appropriate scientific techniques and procedures in rating tests and in determining resulting rank to the end that all competitors receive uniform and fair treatment.

2) Failure in any portion of a total examination, the passing of which is deemed necessary to qualify for eligibility in the class for which the applicant is being examined, shall eliminate the applicant from passage of the complete examination, regardless of his/her score in other portions of the examination. For each eliminating test and the final average in an examination, the Executive Director shall announce the minimum acceptable rating.

3) The passing score for eligibility for certification shall be determined by the Executive Director. This score shall be the same for all examinations given for a class, but it may be changed if, in the judgment of the Executive Director, the change is for the best interest of the University System, and the change shall be applicable uniformly to all examinations for the class. The passing score shall be made known to all those taking the examination.

4) An applicant who fails to gain eligibility for employment in a higher class may, at the discretion of the Executive Director, elect to accept eligibility for a lower appropriate class, if his/her scores on all appropriate parts of the examination are sufficient to qualify him/her for the lower class.

5) All examination scores shall be on a scale of 1 to 100, with decimal points in examination scores being rounded off to the nearest whole number, i.e., with below .5 having the decimal points dropped and with .5 or above being rounded to the next whole number.
