

Please join us on Friday, October 14th for the
22nd Council of Councils
hosted by your SUCSAC Representatives

We're looking forward to spending the day together with our colleagues from across Illinois.

This year's virtual Council of Councils will begin at 9:00am and close at 4:30pm with guest speakers, a round table discussion, visits with SURS & SUAA, and rounding out the day with the Systems Office.

Please hold the date & time and connection information will be sent separately by Friday.

In the meantime, please share this information with your universities CS Councils/Senates and anyone you believe would benefit from the discussions and great information!

- 2019 University of Illinois at Urbana-Chicago
- 2020 Southern Illinois University – School of Medicine
- 2022 State Universities Civil Service Advisory Committee

History and Purpose

It has been a difficult two and a half years for us all and so, on its 22nd gathering and for the first time in the event's history, the State Universities Civil Service Advisory Committee is honored to host this year's Council of Councils!

From its humble beginnings in 1996, this conference has blossomed into a large networking opportunity and professional conference with 14 separate Illinois institutions participating. The inaugural Council of Councils conference took place at Northern Illinois University in 1997; established as a means of connecting Employee Advisory Committee (EAC) members and Civil Service representatives from each public university in the state of Illinois. This meeting allowed leaders from each campus to share ideas, gain insight, and develop strategies to improve communication and relationships with their civil service constituents.

Council of Council gatherings have ranged in size from one day to two and in scope from a focus on the hosting university to invited state agencies and insightful speakers. All have been valued engagements and many of the bonds forged at the Council of Councils have lasted for entire careers and extend into retirement.

Thank you for joining us and continuing the conversation...
