April's meeting will be held at the Alumni Center where there is ample free parking. Chair Odom and Secretary Harris will work on lodging details and send out to the group.

### Report of SUCSS Executive Director – Gail Schiesser

All agendas should be sent to the System Office 5 days prior to our quarterly meeting.

Our visiting Merit Board members were notified of our 5 discussion topics, and we were reminded to be clear and concise in our message and our request of them. We should not assume their knowledge on our discussion topics, we should explain them. And when it comes to survey results, we should be able to explain and present them in a sensible way. Our visitors today consist of Dr. John Butler, Merit Board Chair, Barb Bauer (EIU trustee), and Jim Kvedaris (GSU trustee).

We conducted a round of introductions for group and Chair Odom noted how much experience the committee members bring to this body and how we stand as examples of the Civil Service System. We engaged in robust conversations surrounding our designated topics, laying out Civil Service statutes and rules and how we see them being applied on our campuses. We were reminded to develop personal relationships with our respective Merit Board members, to build rapport and ease the communication process.

**Motion to Adjourn: Shauna Bishop, Seconded by: Michael Robinson**

*A roll call vote was taken, and all were in favor.*

*The meeting was adjourned at 3:57 p.m.*

Respectfully submitted,

To: Employee Advisory Committee  
From: Jill Odom  
Chair/Employee Advisory Committee  
Date: January 29, 2026  
Subject: Chair Report

Good morning and Welcome to 2026. I hope the new year finds you well and ready for lots of accomplishments in all areas of your life.

I'll start with the last meeting of the Merit Board which occurred on Tuesday, December 9<sup>th</sup>. The agenda was full as they welcomed the new member from Illinois State University, Robert (Bob) Navarro. There was approval of several minutes from regular and closed sessions and then a lively public comments session. The Designated Employer Representative Groups presentation was made by Gladys Lopez, the DER for the University of Illinois Chicago who, if I remember correctly, has been with UIC since June of 2024. Ms. Lopez commented on the twenty plus years of no movement on several topics noting that the DER Group is understandably discouraged by delays that are a strategic risk, outdated and rigid processes. She noted that targeted, reasonable changes have been requested noting that the 2025 Millennials and Gen Z's find traditional processes not relevant and the need for modern and innovated processes. Current process and regulations written decades ago erode credibility, limit the candidate pool, and no longer align with current needs. She ended with requesting guidance from the Merit Board and their commitment to guide decisions.

Following Ms. Lopez's report, I presented the report on behalf of EAC. My report was quite lengthy with a summary of our October meeting with the main focus on the attendance and participation from guests from both Governor's State University and Chicago State University. I noted that their attendance was beneficial for them and EAC as well, especially when they joined EAC for a hands-on exercise led by Executive Director Gail Scheisser in communication. Next, I touched on our October 2024 meeting in which Chair Butler joined us for a discussion that was also highly beneficial to EAC and himself. During that discussion we touched on building a stronger relationship with the Merit Board and our constituents as well. Out of that meeting, EAC began working on a survey to our constituents. This survey was a joint effort among all the EAC representatives to present a unified voice and communication to our universities civil service employees across the state. I shared the questions from the survey, our intended distribution timeline, and noted that we would compile the data and share that with the Merit Board as soon as possible. I believe Jacqueline will speak to that during the report of the Executive Committee. Finally, I noted the areas of concern that we continue to focus on and work towards greater collaboration with the Merit Board, the System Office, and our universities regarding Open and Continuous Testing, Extra Help, Salary and Compensation, and Register

Maintenance. We know that the Rule of 3 and the Residency Requirement are of top concern with the DER Group and are still open to continued discussions regarding these topics.

All of the topics that we discuss are of great importance to our civil service employees, and it has always been our goal to find solutions that benefit our employees without diminishing their rights or protections held in the Civil Service Statue and Rules.

I ended with my usual invitation to the Merit Board members to join us for any portion of our quarterly meetings. Following the meeting Chair Butler reached out that he was interested in joining us for our January or April meetings. Additionally, I was contacted by Mr. Kvedaras, and we were able to meet during a visit he had to the Champaign Urbana area. Both of these led to their availability to join us tomorrow during our meeting and thankfully, Ms. Barb Bauer is also available to join us. I am very excited about this opportunity for them to get to know EAC better, form some personal relationships, and further our commitment to collaboration.

In closing, I would like to once again congratulate and welcome our new members: Rafael Cañas from UIUC, Stephanie Contreras-Juarez from GSU, Brandy Perry from UIC, and congratulations on the reelection of Elizabeth Cheek from SIUC and Mary Serio from NEIU. Thank you all for your time, dedication, and support. I truly value each and every one of you, appreciate your patience, tact, and input with this group, and I look forward to our work ahead.

Thank you, Jill Odom

Executive Committee Chair Report

The Executive Committee of the State Universities Civil Service Employee Advisory Committee met on October 23rd, 2025, at Governors State University, 1 University Pkwy, University Park, IL 60484. During the meeting the Executive Committee approved outstanding meeting minutes for May 6<sup>th</sup>, June 26<sup>th</sup>, and August 28<sup>th</sup>, 2025.

There was further discussion surrounding the questions that were crafted for EAC first survey to civil service staff. This survey was created with the intention for EAC to collect data and feedback from our constituents. We also discussed the “Readiness and Go Live” status for all University EAC members to send out the survey at the scheduled date for each respective university campus.

The Executive Committee also took action on approval of the language and body text for the Civil Service Survey communication email. On October 31st, 2025, the Executive Committee met virtually via MS. Teams for further discussion on this same topic. The survey was scheduled to be emailed on **November 12<sup>th</sup>, 2025**, and remain active until **November 25<sup>th</sup>, 2025**. Due to technical and other complications there were several EAC members that reported that their respective campus had a delayed/postponed send out of the survey.

All collected responses are being compiled by the Executive Committee and each responder’s place of employee will be identified during the data analysis segment. While the scheduled December 10<sup>th</sup> meeting was to serve as meeting time to review and discuss collected responses, we could not meet due to lack of quorum. Executive Committee will continue to convene during special meetings for the purpose of composing the survey results and preparing a presentation to the Full Body committee and the Merit Board.

Thank you,

Jacqueline Pointer
