Subject: Proposal for revision of Mental Health Counselor Series
(CCE-04-262)

This notification serves to announce a proposed revision to the classification and examination for the Mental Health Counselor Series. In keeping with the current objective to provide an efficient and effective classification system that meets the needs of each university/agency, a request for job descriptions was sent May 20, 2004, with a return date of June 2, 2004. The System Office prepared a draft of the Mental Health Counselor Series Class Specification.

The revised Mental Health Counselor Series will be discussed at a Class Specification/Credentials Review meeting to be scheduled. An effective date, voiding registers, and availability will be distributed following this meeting.

Please contact Jeff Brownfield at 217-278-3150 or jeffb@succs.state.il.us if you have any questions or need additional information.
