SUBJECT: Final Status Notice for Head of Media Technical Services
CCE-10-213

DATE: December 7, 2009

The State Universities Civil Service System continues to routinely revise and modify the classification plan. The overall objective is to provide an efficient and effective classification and examination system that meets the business requirements of each employer. The following modifications are therefore incorporated into the State Universities Civil Service System classification plan.

Class currently used by: NIU

<u>Current Class</u>	<u>Action Proposed</u>	<u>Revised Class</u>	<u>Occ. Area</u>	<u>Work Area</u>	<u>Change-in-Title Policy</u>	<u>Effective Date</u>
2035 Head of Media Technical Services	REVISE	2035 Media Technical Services Manager	02/ Semi-Professional	210	1	2/01/10

Change-In-Title Policy requirements reflect revised procedures issued 12/23/03. Change-In-Title actions listed above are recommended with positions assigned to the appropriate new/revised classification based on a thorough review of job duties and responsibilities.

Class Specification and Examination Components/Instruments

For details on class specification and other information i.e. occupational area, work area, promotional line, etc., visit the class specification link at our website at www.sucss.state.il.us.

Voiding/Deleting Registers

Previous testing materials and corresponding registers for the Head of Media Technical Services classification should be voided at the close of business on Friday, January 29, 2010. All testing materials related to this title should be destroyed at the close of business on Friday, January 29, 2010.

Pay Rate/Ranges

If necessary, employers should make adjustments to or establish new pay rates/ranges to accompany the above changes. In some instances, establishing a wide pay range will optimize the opportunity of each employer to properly reflect their individual compensation programs for these operations and positions.

Seniority

Seniority calculations should be reviewed and established based on the final classification assignment and movement of employees through the classification plan.
