SUBJECT: Notice of Specification/Examination Review Program Coordinator Series

DATE: March 29, 2011

Consistent with our transition to electronic testing options, the State Universities Civil Service System (System Office) is proposing a revision to the classification plan for the Program Coordinator Series. In this instance, our primary objective is to broaden the classification structure. This update should allow a more efficient and effective applicant recruitment and employment process in this occupational area. During subsequent meetings we will also modify the current examinations to an Electronic Knowledge Test (E-Test) and/or Credentials Assessment model.
