SUBJECT: Follow-up meeting for Specification/Examination Revision for the Purchasing
Officer Series

DATE: November 5, 2011

Consistent with our transition to electronic testing options, the State Universities Civil Service System (System Office) is proposing a revision to the classification plan for the Purchasing Officer Series. In this instance, our primary objective is to simply convert the current examinations to an Electronic Knowledge Test (E-Test) and/or Credentials Assessment model, which can be easily delivered in an electronic format. This conversion should prove to be more efficient and effective in addressing the applicant recruitment and employment components in this occupational area.

Current Class

Purchasing Officer I
Purchasing Officer II
Purchasing Officer III
Purchasing Officer IV

Proposed Class

Purchasing Associate
Purchasing Specialist
Purchasing Manager

This proposal will be formally reviewed at a meeting on **December 1, 2011 at 1:30 p.m.** You are invited to attend the meeting at the System Office or participate by videoconference. We ask each employer utilizing these classifications to please participate in this process. Due to the minor revisions to the class specifications and examination, we do not anticipate a lengthy meeting. For onsite participation, confidential examination information will be distributed upon arrival to the System Office and e-mailed to Human Resources prior to the videoconference to share with participants. ***If you plan to utilize videoconference for your participation, please indicate your IP address.***

Please share this information as required, but keep in mind that the purpose of this meeting is to simply change the delivery format of the examination from an applicant-rated paper format to an employer-rated electronic test. Contact Torre Walls at (217) 278-3150, Ext. 225, or by email at emilyg@sucss.state.il.us if you need any additional information or clarification.
