SUBJECT: Notice of Specification/Examination for the Valet Parking Attendant

DATE: February 28, 2013

Consistent with our transition to electronic testing options, the State Universities Civil Service System (System Office) is proposing a revision to the classification plan. In this instance, our primary objective is to add a new classification Valet Parking Attendant and examination which can be easily delivered in an electronic format. This conversion should prove to be more efficient and effective in addressing the applicant recruitment and employment components in this occupational area.

Confidential examination materials will be distributed later to meeting participants.

Proposed Class

This proposal will be formally reviewed at a meeting on **March 7, 2013 at 3:00 p.m.** You are invited to attend the meeting at the System Office, by teleconference or by videoconference. We ask each employer utilizing these classifications to please participate in this process. Due to the minor revisions to the class specification and examination, we do not anticipate a lengthy meeting.
