SUBJECT: Discontinued Use Power Plant Series

Consistent with our obligation to administer and maintain the University System classification plan, this communication shall provide the final notification and effective date of revisions to the following classification series:

Power Plant Series

Based upon our comprehensive review of a job analysis and series of meetings with human resource representatives and subject matter experts, the University System Office is discontinuing the use of the Power Plant Series. Specific classifications are listed in the chart below.

Any new or vacant positions that have traditionally been designated to these classifications should be hired and/or converted to the new Steam and Power Plant Series, Power Plant Mechanic Series or the Instrument Technician classification.

The following modifications are incorporated into the State Universities Civil Service System classification plan. There is currently no established requirement or deadline for the conversion of current incumbents.
