Coordinator

The University System Office continues to revise and modify its business processes related to the creation/revision of class specifications and examinations. The overall objective is to provide an efficient and effective classification system that meets the needs of each university/agency.

	Taken	Code	Area	Area	Date
Emergency Management Coordinator	ADD	2792	13 Protective Services	069 Safety and Security Services	7/15/13

Pay Rate/Ranges

Employers should establish new pay rates/ranges to accompany the above changes. In some instances, establishing a wide pay range will optimize the opportunity of each employer to properly reflect their individual compensation programs for these operations and positions.
