Voiding/Deleting Registers

The registers for Storekeeping Series should be voided at the close of business on October 14, 2013. All testing materials related to these titles should be destroyed.

Class Specification and Examination Components/Instruments

The revised class specifications and examining instruments for the Storekeeping Series (Storekeeper I – III) Knowledge Tests and Credentials Assessment and Stores Supervisor (Credentials Assessment) will be effective (available per E-Test) October 15, 2013. For details on class specification and other information i.e. occupational area, work area, promotional line, etc., visit the class specification link at our website at [www.sucss.illinois.gov](http://www.sucss.illinois.gov).

Pay Rate/Ranges

Where necessary, employers should make adjustments to or establish new pay rates/ranges to accompany the above changes. In some instances, establishing a wide pay range will optimize the opportunity of each employer to properly reflect their individual compensation programs for these operations and positions.

Seniority

Seniority calculations should be reviewed and established based on the final classification assignment.
