Consistent with our obligation to administer and maintain the University System classification plan, this communication shall provide the final notification and effective date of revisions to the following classification(s):

Snack Bar Attendant
Snack Bar Supervisor

Classes are currently used by: ISU, NIU, SIUC, SIUE, UIUC, ISU, GSU, UIS

<u>Current Classes</u>	<u>Current Prom. Lines</u>	<u>Action Proposed</u>	<u>Revised/ New Classes</u>	<u>Prom. Line</u>	<u>Occ. Area</u>	<u>Work Area</u>	<u>*Change-in-Title Policy</u>	<u>Effective Date**</u>

3506 Snack Bar Supervisor	18	REVISE/ CIT	3506 Food Court/ Snack Bar Supervisor	18	10	381	1	04/01/16

*Change-in-Title Policy requirements reflect revised procedures issued 11/14/07. Change-in-Title actions listed above are **recommended** with positions assigned to the appropriate new/revised classification based on a thorough review of job duties and assignments. This review should also include the designation of positions to the revised Food Court/Snack Bar Series. Each Employer should review position description and determine which classification and classification series is appropriate for their employment location.

Voiding/Deleting Registers

The employment registers for each of the classifications in the Snack Bar Series should be voided at the close of business on March 31, 2016. All testing materials related to this series should be destroyed.

Class Specification and Examination Components/Instruments

The new class specifications and examining instruments for the Food Court/Snack Bar Series (Knowledge Test and Credentials Assessment) will be effective (available per E-Test) April 1, 2016. For details on class specification and other information i.e. occupational area, work area, promotional line, etc., visit the class specification link at our website at www.sucss.illinois.gov.

**The Effective Date is April 1, 2016. Individual employers may choose to complete the update of positions to the revised classification designation between April 1, 2016 and August 1, 2016. Thus, all position designation must be completed no later than August 1, 2016. This provision allows greater flexibility in position designation based on campus operations.

Upon determination to revise the classification designation, all transactions must be completed simultaneously. No new or vacant position within the designated occupational area can be filled until all current positions are revised to the appropriate designated classification as listed above.

Pay Rate/Ranges

Where necessary, employers should make adjustments to or establish new pay rates/ranges to accompany the above changes. In some instances, establishing a wide pay range will optimize the opportunity of each employer to properly reflect their individual compensation programs for these operations and positions.

Seniority

Seniority calculations should be reviewed and established based on the final classification assignment. *Please note seniority calculations should be carefully reviewed as some employers use specialized promotional lines for food service related classifications.*
