Voiding/Deleting Registers

The employment registers for the Building Custodial Service Series and Custodial Supervisor should be voided at the close of business on Friday, March 31, 2017. All testing materials related to these titles should be destroyed.

Class Specification and Examination Components/Instruments

The revised class specification and examining instruments for the Building Custodial Service Series classifications will be effective (available per E-Test) April 1, 2017. For details on class specification and other information i.e. occupational area, work area, promotional line, etc., visit the class specification link at our website at www.sucss.illinois.gov.

Pay Rate/Ranges

Where necessary, employers should make adjustments to or establish new pay rates/ranges to accompany the above changes. In some instances, establishing a wide pay range will optimize the opportunity of each employer to properly reflect their individual compensation programs for these operations and positions.

Seniority

Seniority calculations should be reviewed and established based on the final classification assignment.
