Consistent with our obligation to administer and maintain the University System classification plan, this communication shall provide the final notification and effective date of the following classification(s):

Class Specification and Examination Components/Instruments

The new class specification and examining instrument for the Evidence Custodian classification (Credentials Assessment) will be effective (available per E-Test) September 01, 2018. For details on class specification and other information i.e. occupational area, work area, promotional line, etc., visit the class specification link at our website at www.sucss.illinois.gov.

Pay Rate/Ranges

Where necessary, employers should establish new pay rates/ranges to accompany the above change. In some instances, establishing a wide pay range will optimize the opportunity of each employer to properly reflect their individual compensation programs for these operations and positions.

Seniority

Seniority calculations should be reviewed and established based on the final classification assignment.
