### Class Specification and Examination Components/Instruments

The new class specification and examining instrument for the Deputy Chief classification (Credentials Assessment) will be effective (available per E-Test) May 1, 2019. For details on class specification and other information i.e. occupational area, work area, promotional line, etc., visit the class specification link at our website at [www.sucss.illinois.gov](http://www.sucss.illinois.gov).

### Pay Rate/Ranges

Where necessary, employers should establish new pay rates/ranges to accompany the above change. In some instances, establishing a wide pay range will optimize the opportunity of each employer to properly reflect their individual compensation programs for these operations and positions.
