SUBJECT: Status Notice for the Culinary Worker Series

DATE: July 12, 2019

The State Universities Civil Service System continues to routinely revise and modify the classification plan. The overall objective is to provide an efficient and effective classification and examination system that meets the business requirements of each employer. The following modifications are therefore incorporated into the State Universities Civil Service System classification plan.

The State of Illinois Department of Public Health revised licensing standards for Food Handlers per Public Amendment 098-0566. This certification is similar to the previous standard therefore the registers will **not** be voided as a result of the language revision to the Class Specification.

Class currently used by: EIU, GSU, ISU, NEIU, NIU, SIU-C, SIU-E, WIU

## Registers

The registers for the Culinary Worker I, Culinary Worker II, Culinary Worker III, Culinary Worker IV, and Culinary Worker V should remain intact and **should not** be voided.

## Class Specification and Examination Components/Instruments

The revised Class Specification for the Culinary Worker Series will be effective (available per our website) August 15, 2019. Examination instruments will remain the same.

For details on class specification and other information i.e. occupational area, work area, promotional line, etc., visit the class specification link at our website at [www.sucss.illinois.gov](http://www.sucss.illinois.gov).
