Voiding/Deleting Registers

The employment registers for the ***Magnetic Resonance Imaging Technologist should be voided*** at the close of business on Tuesday, January 14, 2020. All testing materials related to this title should be destroyed.

Class Specification and Examination Components/Instruments

The revised class specification and examining instrument for the Magnetic Resonance Imaging Technologist classification (Credentials Assessment) will be effective (available per E-Test) **Wednesday, January 15, 2020**. For details on class specification and other information i.e. occupational area, work area, promotional line, etc., visit the class specification link at our website at www.sucss.illinois.gov.

Pay Rate/Ranges

When necessary, employers should adjust to or establish new pay rates/ranges to accompany the above changes. In some instances, establishing a wide pay range will optimize the opportunity of each employer to properly reflect their individual compensation programs for these operations and positions.

Seniority

Seniority calculations should be reviewed and established based on the final classification assignment.
