\*Change-in-Title policy requirements reflect revised procedures issued 11/14/07. Change-in-Title actions listed above are strongly recommended with positions assigned to the appropriate new/revised classifications based on a thorough review of job duties and assignments.

Voiding/Deleting Registers

The employment registers for the Non-Invasive Cardiovascular series should be voided at the close of business on Friday, July 31<sup>st</sup>, 2020. All testing materials related to this title should be destroyed.

Class Specification and Examination Components/Instruments

The revised class specification and examining instruments for the Non-Invasive Cardiovascular series classifications will be effective (available per E-Test) on August 1<sup>st</sup>, 2020. For details on class specification and other information i.e. occupational area, work area, promotional line, etc., visit the class specification link at our website at [www.sucss.illinois.gov](http://www.sucss.illinois.gov).

Pay Rate/Ranges

Where necessary, employers should adjust or establish new pay rates/ranges to accompany the above changes. In some instances, establishing a wide pay range will optimize the opportunity of each employer to properly reflect their individual compensation programs for these operations and positions.

Seniority

Seniority calculations should be reviewed and established based on the final classification assignment.
