SUBJECT: Proposal Notice for Greens Worker Classification

DATE: March 11, 2021

The State Universities Civil Service System (System Office) is proposing a revision to the Greens Worker classification. We believe that this proposal will be beneficial in addressing the recruitment, employment, and retention concerns surrounding the staff within this constantly evolving business operation. Our overall objective is to provide an efficient and effective classification system that meets the needs of each employer.

As outlined below, the current classification specification will transition to that being proposed:

Current Classification  
Greens Worker

Proposed/New Classification  
Greens Worker

This classification proposal will be reviewed and the examination format and effective dates will also be reviewed. Consistent with our obligation to administer and maintain the University System classification plan, notification shall be provided once an effective date of the revision is established.

Thank you in advance for your cooperation and feedback. If you have any questions or need additional information, please contact Danielle Routh at [danieller@sucss.illinois.gov](mailto:danieller@sucss.illinois.gov).
