SUBJECT: Proposal Notice for the Greens Supervisor Classification

DATE: March 12, 2021

The State Universities Civil Service System continues to routinely revise and modify the classification plan. The overall objective is to provide an efficient and effective classification and examination system that meets the business requirements of each employer. The following modifications are therefore being proposed for deletion from the State Universities Civil Service System classification plan.

Based on a preliminary review of the Salary Range Report of the Fall 2020 Salary Survey, the Greens Supervisor has not been currently in use by any university or agency for many years. Prior to deletion of this classification, we are requesting that each university/agency review their records.

Human Resources Records / Seniority
Appropriate updates should be completed in each file for any employee who has previously held a position in an eliminated classification. In this respect, individual seniority calculations should be carefully reviewed during this proposal notice period.
