SUBJECT: Proposal Notice for the Child Development Series

DATE: February 14, 2022

The State Universities Civil Service System (University System Office) is proposing a revision to the Child Care Development Series. We believe that this proposal will be beneficial in addressing the recruitment, employment, and retention concerns surrounding the staff within this constantly evolving business operation. Our overall objective is to provide an efficient and effective classification system that meets the needs of each employer.

As outlined below, the current classification specification series will transition to those being proposed:

Current Classification Series

Child Development Associate
Child Development Supervisor

Proposed Classification Series

Child Development Associate
Child Development Supervisor

This classification proposal will be reviewed during individually scheduled meetings or conference calls conducted by the University System Office staff. Examination format and effective dates will also be reviewed during these meetings. To allow ample time for all parties to provide initial comments and feedback regarding this proposal, the dates and times for these meetings have yet to be determined. You will be notified by this office through a Meeting Notice once they have been scheduled.
